Computer Science, Mathematics, Physics, and Statistics

JOB POSTING

Teaching Assistants

UNDERGRADUATE and GRADUATE

The Department of Computer Science, Mathematics, Physics, and Statistics has Teaching Assistant positions available in the winter term 2018/2019 for undergraduate courses in Computer Science, Data Science, Mathematics, Statistics, Physics, and Astronomy. Subject to budgetary approval and enrolment pressures, it is anticipated that there will be up to 30 Undergraduate Teaching Assistantships (UTA) and up to 35 Graduate Teaching Assistantships (GTA1 or GTA2). Partial teaching assistantships may be awarded.

QUALIFICATIONS:

Qualified applicants for these positions who are enrolled in full-time studies at UBC Okanagan will have priority. UBC hires on the basis of merit and is committed to employment equity. We encourage qualified applicants to apply.

Note: full-time undergraduate status is defined as a minimum of 24 credits (2 terms) for the Winter Session.

International Students: Must provide a copy of Work Permit valid until **April 30, 2019**.

DUTIES:

Successful candidates will be assigned duties in one or more undergraduate courses. The duties will vary with the course and may involve marking of assignments, labs and tests, instruction in labs or tutorials, and invigilation duties.
